

LOGNOTE -- Chief, Operations Group, 31 July 1984

2. (Wilson) I received a telephone call from  yesterday requesting the publishable wordage figures of each bureau for four specified months of each year from 1979 through January 1983. The information had been requested by BBC's Samy, Head of the Reception Department, who needed the figures for the government review of the Monitoring Service. The information, which was readily available from the FBIS monthly production reports, was nefaxed to the bureau on 31 July.
